

What is BindBuddy?

BindBuddy is a simple device that easily attaches to any bag strap. It firmly holds any garment or soft goods (jacket, yoga mat, coat, sweater etc.), keeping them close and secure at all times so you can enjoy a hands-free commute.

Where to Use?

Commuting to work, long distance travelling, going to yoga, gym or beach, carrying child's teddy or blankie!

Example of BindBuddy Being Used at Trade Show

- Upon registration at the 2022 ACME Trade Show, the attendee receives a gift bag with a BindBuddy as an event giveaway.
- The BindBuddy would be private labelled with the ACME logo.
- As most conferences are air conditioned, most attendees wear layered clothing.
- As attendees walk around the conference and start to remove extra layers of clothing, BindBuddy would be the perfect product to secure that now unneeded jacket, sweater etc. to a messenger bag, backpack or purse.
- They can now network hands-free!

How it Works?

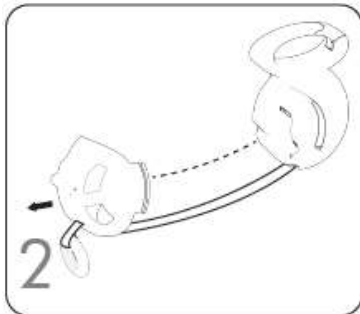

Step 1

Attach to bag strap

Step 2

Squeeze and pull out the Clasp

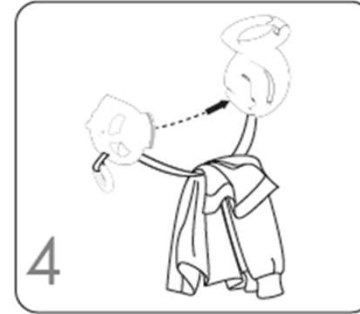

Step 3

Place garment on Strap

Step 4

Re-attach the Clasp to the main Body

Step 5

Pull Tab to tighten Strap
